

Do you have an area in your park that needs enhancing or invasive plants removed? The DeKalb County Recreation, Parks, and Cultural Affairs Department in coordination with the Natural Resource Management Office and Park Pride would like to help you implement your project. We provide support for projects that build communities, utilize sound ecological practices, and articulate the unique identity of the park.

### DeKalb County Recreation, Parks, and Cultural Affairs Department with the Natural Resource Management Office

The DeKalb County Recreation, Parks, and Cultural Affairs Department along with the Natural Resource Management Office and Park Pride will work with neighborhood groups and provide materials such as mulch, cleanup supplies, tools, and safety information. The beatification area in the park will be identified by the neighborhood coordinator and discussed with a representative from Park Pride, the DeKalb County Recreation, Parks and Cultural Affairs Department or Natural Resource Management Office prior to the work-day. The project application will be completely filled out, turned in and processed 7 to 10 days prior to the work-day to ensure that the request can be met. Supplies can be picked up prior to the work-day, mulch and a dumpster will be delivered on the Friday before the scheduled work-day. On the actual clean-up day, all volunteers must sign the attached waiver form which needs to be returned to the DeKalb County Recreation, Parks and Cultural Affairs Department. Once the clean-up is complete, the borrowed supplies need to be returned by the neighborhood coordinator within one week of the scheduled work day.

#### Sample Project Ideas

**Cleanups** – A clean-up project can focus on removing trash and debris from general park areas and around lakes. The project should not only cleanup the site, but also include a strategy for preventing future illegal dumping. Because all clean-ups are coordinated with Keep DeKalb Beautiful they take approximately 7 to 10 days to receive supplies.

**Invasive plant removal** – Removing invasive plants, such as kudzu and privet, from general park areas will encourage the life cycle of native plant species and animal life. Any areas where plants are to be removed need to be identified prior to the work-day and all native species are to be identified and left untouched.

**Tree Planting** – Reduce pollution, add shade, prevent erosion, and improve the value of your park for decades to come by planting trees at a recreation center, along a stream bank or in general park areas. Any areas where plants are to be installed need to be identified prior to the work-day and any species planted will need to be authorized by parks personnel.

Trees are offered with limited availability. In times of drought or water restrictions trees and plants will not be offered. Tree plantings are restricted between the months of December and March.

#### **Rules and Ordinances:**

The park rules have been created to allow park visitors a safe and enjoyable experience. Please take time to read and follow the rules. Violations could result in fines.

#### Time:

Parks and recreation facilities shall open at 7:00 a.m., and shall close at sunset, except that parks containing lighting for night use shall close at 11:00 p.m. Only those areas of park and recreation facilities which are illuminated and in use at night shall be interpreted as being open. All other portions of the facilities if not illuminated are considered to be closed. Applicable closing signs shall be conspicuously posted at all park and recreation facilities and any deviation from these times must be approved in writing by the county. [County Code 19-26]

#### Animals:

#### Duty to restrain while off owner's property -

It shall be the duty of any person to keep an animal under restraint and control at all times while the animal is off the real property limits of the owner. Such areas shall not include county parks that are specifically designated as off leash areas.

#### [County Code 5-4]

#### Animals at large -

It shall be unlawful for the owner of an animal to allow it to run at large unattended on or about the streets, right of ways, and highways of unincorporated DeKalb County; in any DeKalb County park, except in county parks that are specifically designated as off leash areas; unattended on or about the common property of any apartment complex or condominium community; or on the property of another person without permission of the owner of that property. This section shall not apply to dogs being used for hunting in accordance with state law, rules and regulations.

#### [County Code 5-5]

#### Animals in parks and swimming areas -

- (a) It shall be unlawful for any person in charge of an animal to bring said animal onto county-owned or county-operated athletic fields.
- (b) It shall be unlawful for any person to ride, graze or walk a horse or any other type of hoofed animal within county parks without obtaining written authorization from the Recreation, Parks & Cultural Affairs Director or designee. This subsection shall not prohibit riding, grazing or walking horses in county property designated as horse farms or in county parks or recreational areas with county signage specifically allowing the riding, grazing or walking of horses. No person shall ride a horse on county property in a manner that endangers other persons.
- (c) Animals are prohibited in county swimming areas, the areas inside fencing around pools, and in concession and restroom facilities at swimming pools.
- (d) This section does not prohibit persons with disabilities from bringing guide animals into any such areas or into any county park or area owned or operated by the county for recreational purposes.
